

9 January 2023

Dear Parent/Carer

As you are aware, we had our Ofsted inspection in November 2022. During this time all our students worked really hard to highlight the positivity in the school and we were extremely proud of them.

We have now received our recent Ofsted inspection report and the outcome is extremely disappointing.

The school non-compliance of regulations is technical, and we ensured all issues were immediately addressed.

When you read the report, you will see that despite the disappointing judgement we have plenty to celebrate. Such as *'pupils enjoy coming to the school and parents are overwhelmingly positive about the nurture and individualised support their child receives'*. The report also states, *'staff have created a welcoming learning environment and have high expectations of how they want pupils to behave'*.

We are extremely proud of our achievements at Phoenix Bay school and will continue to provide a highly inspirational education experience for your child. Students will be in no way effected by the outcomes of this report.

We have the overwhelming support of the Local Authority, who we are continuing to work with us to empower excellence for our students.

We would like to thank you for your tremendous support and kindness during this process. we are organising a drop-in session for you on Friday at 3.30pm to discuss any concerns or queries you may have.

Yours sincerely
